Mission

“To become a role model and reputed pharma educational institute imparting excellence, demand driven pharma education and research with continuous strive for excellent services to global society under conducive, competitive and society beneficial environment.”

Vision

“The institute will be national level institute with a repute, it will provide a quality pharma education with excellence in educational process.”
“It will cater the emerging and multifaceted challenges of pharma education; also it will take care of societal health on global scenario. We believe service to the mankind is seving for god.”

Secretary's Desk

Panchakshari Shivacharya Trust is a charitable trust registered under Bombay Public Trust Act 1950. It undertakes religious and social activities. Since 1980 the trust is actively engaged in promoting quality education in technical education by starting Channabasweshwar Pharmacy Polytechnic, Latur in the year 1980. Institution has created its image as one of the reputed Govt. Grant-in-aid Diploma Pharmacy institute in the state of Maharashtra. Together with Diploma in Pharmacy course institution is running Non-AICTE ADMLT program and skill development programs sponsored by Skill Development Ministry Govt. of India.

After Realizing the prospect and potential of the course in the emerging scenario of the global pharmaceutical industry, Trust started the self-financed Undergraduate course (B. Pharm) in 2010, Post-graduation course (M. Pharm) in 2012 and recently Pharm. D. and D. Pharm (self-financed) At our Institution, the faculty inspires students to question, think critically and explore for creativity. We bring the best Architecture into the classrooms with eminent advisors & scholars visiting frequently & imparting knowledge to the students. Today, our students can be seen making

Principal's Desk

On the occasion of bring the second issue of this bulletin I take this opportunity to convey my best wishes to students, faculties, support staff & readers in their future endeavor. This bulletin is result of endless efforts taken by faculties & students of Channabasweshwar Pharmacy Polytechnic, Latur The Institution is continued to strive for good results; good academic track, organizing number of students centered & faculty developmental activities & providing employment for pass out students. This year also our faculties & student fertility were succeeded in securing Top most position in summer-2023 MSBTE result throughout the state.

As we know, the Pharmacy Council of India has revised syllabus for diploma course in pharmacy with an intention to make the pharmacists more practical oriented in their career. In the revised syllabus the subjects introduced in the curriculum are as per the future needs of the society, expectations of the health care team and other stakeholders from pharmacists. Now it is expected from pharmacists to engage in doing the basic work like Advice on medicine, providing information on the products, counselling the patient etc. Patient counseling and patient-pharmacist interaction are clearly important aspects of the pharmacist's profession. It improves patients' quality of life and deliver great care.

On this back ground a unique and first of its kind State level Patient Counselling Contest was organized in collaboration with MSBTE, Mumbai and APTI, MS. It was on role play concept. Around 60 teams from different places of Maharashtra state took part in the contest. The performances of participating teams were evaluated by constitution of team of evaluator comprising two members, one faculty from Pharm. D program and another was a senior community pharmacist.

Such type efforts will improve the skill and knowledge of budding pharmacist, to discharge their duties in effective way and to become pharmacist-cum-patient counselors. Hope we all will succeed in reaching to this endeavor.

Patient Counselling Contest 2023

One day State level Patient Counseling Contest was organized by Channabasweshwar Pharmacy Polytechnic College, Latur (Maharashtra) on 28th December 2023 in the campus of the institution. The contest was organized in collaboration with MSBTE, Mumbai and APTI, MS. Contest was organized on role play concept, a team comprising two to three members among them one played a role Pharmacist and others played a role of patient and or his/her relative. Around 60 teams from different places of Maharashtra state took part in the contest. The performances of participating teams were evaluated by constitution of team of evaluator comprising two members, one faculty from Pharm. D program and another was a senior community pharmacist. The parameters considered for evaluation were Professional knowledge, Listening and Communication skills, how enacted with Patient, Overall, Team Performance and How Concluded the session. The total score on evaluation sheet was 50 marks, out of which 10 marks dedicated to each parameter of the sheet. For the contest three different halls were specially designed as model pharmacy with audio-visible facility order to showcase participating teams their performances effectively. Around 20 teams were accommodated in each hall. In between the role plays in order to create the awareness on the theme of the contest i.e. on importance of patient counselling the street plays, group acts, rally, and mimicries were also arranged.

Channabasaveshwar Polytechnic D. Pharmacy team comprising students member miss. Vaishnavi Budruke and Mr. Siddheshwar Walukar secured the first position of state level contest. Whereas team from Dayanand Institute of Pharmacy, latur at second position and team from D.S.T's Pharmacy Polytechnic Solapur rest at third position.

Scheme of Community Development through Polytechnic MH-297

(Scheme sponsored by Ministry of Skill Development and Entrepreneurship, Government of India, New Delhi)

Channabasaveshwar Pharmacy Polytechnic, Latur is a government aided institution, providing quality education of pharmacy course since 1980. Institution has always participated in the social, health, sports, cultural and environmental fields consistently, while keeping the educational quality intact. On the strength of accurate planning and strict implementation of planning, this organization has created its own Latur Pharmacy pattern.

Taking into consideration, devotion of organization for welfare of society, the Central Government approved and started the Scheme of Community Development through Polytechnic from 2002.

Variety of skill development training are provided free of cost to the marginalized, needy women, men, youth and young women of the society under Scheme of Community Development through Polytechnic implemented at Channabasaveshwara Pharmacy Polytechnic, Latur from which skilled manpower is created since from 2002...

The Activities scheme is Carried out in following areas:-

- 1] Survey to identify new technology and training needs.
- 2] Conducting skill development training for the needy.
- 3] Dissemination of necessary and appropriate technology.
- 4] To provide technical and support services to rural and general public.
- 5] Dissemination of useful information.

Basic sewing operator, Fashion designing Grade -I, Basics in Beauty parlor, Advanced Course in beauty parlor, GST Talley, Mobile repairing, Electrician, Plumbing, Bed side assistant , Solar maintenance technician etc. are some of the training programs run at mother center and seven extension center established at different villages in Latur dist. Soyabean Processing . Under this scheme we are providing consultancy on processing Soyabean to manufacture different nutritious food by use of Soyabean as a main constituent. Since from 2002, under CDTP scheme 441 batches of various skill development training programs were conducted through which 9930 trainees got benefits of scheme. Success rate of CDTP scheme is 55 to 60 %. About 40 % of the trainee started their own business on small scale whereas 15-20 % got job in MIDC of, Latur. Various Skill development training program are conducted through nine well established Extension Centres throughout latur district.

- Prominent Work under the scheme
- Timely organizing Advisory Committee Meeting.
- Cervical Cancer awareness & detection Camp.
- Trainer's Monthly Meeting of Trainers
- Deputation of Trainers for Advanced program & workshops.
- Organizing Community Mella.
- Felicitation of outstanding entrepreneur developed under the Scheme.
