Secretary's Desk...

Panchakshari Shivacharya Trust is a charitable trust registered under Bombay Public Trust Act 1950. It undertakes religious and social activities. Since 1980 the trust is actively engaged in promoting quality education in technical education by starting Channabasweshwar Pharmacy Polytechnic, Latur in the year 1980. Institution has created its image as one of the reputed Govt. Grant-in-aid Diploma Pharmacy institute in the state of Maharashtra. Together with Diploma in Pharmacy course institution is running Non-AICTE ADMLT program and skill development programs sponsored by Skill Development Ministry Govt. of India. After Realizing the prospect and potential of the course in the emerging scenario of the global pharmaceutical industry, Trust started the self-financed Undergraduate course (B. Pharm) in 2010, Post-graduation course (M. Pharm) in 2012 and recently Pharm. D. and D. Pharm (self- financed) At our Institution, the faculty inspires students to question, think critically and explore for creativity. We bring the best Architecture into the classrooms with eminent advisors & scholars visiting frequently & imparting knowledge to the students. Today, our students can be seen making wonderful progress in their chosen careers.

Principal's Desk...

It gives me immense pleasure in bringing out the third issue of news bulletin. Bulletin is result of endless efforts taken by faculties & students of Channabasweshwar Pharmacy Polytechnic, Latur. Once again our students are succeeded in securing Top position throughout the state in summer-2024 MSBTE result; also this year we have many awards, certifications in our credit this is the result of endless efforts of our faculties & students. The Institution is continued to strive for good results; good academic track, organizing number of student centered & faculty developmental activities & providing employment for pass out students. As the part of effective implementation revised curriculum of Pharmacy Council of India State level Patient Counseling Contest was organized on 2nd January 2025 in the collaboration with MSBTE, Mumbai, MSPC and APTI-MS. People from community pharmacy sector, Maharashtra State Pharmacy Council, Food & Drug Administrative Dept., academicians, medical field appreciated the efforts of organizing team for successfully organizing such a unique contest. Pharmacists have crucial role plays in health care sector. In order to improve the skill and knowledge of working Pharmacist, the State Pharmacy Council taking efforts in organizing the Refresher courses as well as Pharmacy Management courses, our students, faculties and institution as a whole is contributed in joint organization of these programs. Also a part Mission Skill Development of Govt. of India our team of CDTP scheme contributed by organizing different skill development program for needy people. Around 720 Peoples were trained and many technology transfer activities, technical support services as well as many awareness and medical or health camps were organized. We believe that, our above efforts will improve the skill and knowledge of budding pharmacist, to discharge their duties in effective way, to become pharmacist-cum-patient counselor's and contribute the society in effective way. Hope we all will succeed in reaching to this endeavor.

Our Faculties

It is our privilege to warmly welcome you into the portals of this great institution dedicated to the cause of top-quality pharmacy education. The holistic approach of Channabasweshwar Pharmacy Polytechnic stimulates innovation among students by inspiring fresh ideas with different perceptiveness, creative thinking and strong conviction to achieve true success. Here blend of academic experts, caring faculty, dynamic curriculum, research facilities and industry-academia interaction makes it the best choice to launch your career or enhance your professional skills.

The Pharmacy profession has undergone gradual transition from conventional pharmacy to technology based pharmaceutical science. In order to overcome the challenges of globalization pharmaceutical institute have to tune up themselves giving special emphasis on application of IT and R&D to enhance the quality of pharmaceutical services.

Second Patient Counselling Contest 2025

After overwhelming response to first contest throughout the state second State level Patient Counseling Contest was organized by Channabasweshwar Pharmacy Polytechnic College, Latur (Maharashtra) on 2nd January 2025 in the campus of the institution. The contest was organized in collaboration with Maharashtra State Board of Technical Education, Mumbai, Maharashtra State Pharmacy Council and Association of Pharmaceutical Teachers of India, Maharashtra State Branch. Contest was organized on role play concept, a team comprising two to three members among these one played a role Pharmacist and remaining played a role of patient and or his/her relative. Around 65 teams from different places of Maharashtra were taken part in the contest.

Teams were performed their role play in the three different halls decorated with specially designed model pharmacies. The time allotted for each team to show their performances was 15 minute each. The performances of participating teams were evaluated by constituting teams of evaluator comprising two members, one was the faculty from pharmacy institution and another was a senior community pharmacist. The parameters considered for evaluation were Professional knowledge, Listening and Communication skills, How interacted with Patient, Overall Team Performance and How Concluded the session. The total score on evaluation sheet

was 50 marks, out which 10 marks dedicated to each parameter of the sheet. The Contest was Inaugurated by the auspicious hands of Dr. Akshay Joshi, Joint Director, Regional office of the Technical Education, Chha. Sambhajinagar, the program was presided over by Dr. Uday Mohite Dean, Govt. Medical College, Latur Hon. B. J. Devnikar Managing secretary of P.S.T.s Channabasweshwar Pharmacy Polytechnic college, Latur, and Shri Ramdas Bhosale, President, District Chemist and Druggist Association, Latur were the guest of honor for the program. Trustees Shri Vijaykumar Mathapati, Shri Siddheswar Halkude, Principal Dr. Sanjay Thonte, Dr. Vijayendra Swamy, the mentors of the participating teams, members of the Chemist and Druggist Association, faculties, support staff of Channabasweshwar Pharmacy college & students of nearby Pharmacy colleges, were present on the occasion. The team comprising Komal Pote, Bhagyshree Mathpati, Samreen Chaudhari and Priyanka Sagar of Channabasveshwar Polytechnic D. Pharmacy secured the first position of state level contest. People from community pharmacy sector, Maharashtra State Pharmacy Council, Food & Drug Administrative Dept., academicians, medical field appreciated the efforts of organizing team for successfully organizing such a unique contest.

Scheme of Community Development through Polytechnic MH-297

(Scheme sponsored by Ministry of Skill Development and Entrepreneurship,
Government of India, New Delhi)

Channabasaveshwar Pharmacy Polytechnic, Latur is a government aided institution, providing quality education of pharmacy course since 1980. Institution has always participated in the social, health, sports, cultural and environmental fields consistently, while keeping the educational quality intact. On the strength of accurate planning and strict implementation of planning, this organization has created its own Latur Pharmacy pattern.

Taking into consideration, devotion of organization for welfare of society, the Central Government approved and started the Scheme of Community Development through Polytechnic from 2002.

Variety of skill development training are provided free of cost to the marginalized, needy women, men, youth and young women of the society under Scheme of Community Development through Polytechnic implemented at Channabasaveshwara Pharmacy Polytechnic, Latur from which skilled manpower is created since from 2002...

The Activities of scheme are carried out in following areas:-

- 1] Survey to identify new technology and training needs.
- 2] Conducting skill development training for the needy.
- 3] Dissemination of necessary and appropriate technology.
- 4] To provide technical and support services to rural and general public.
- 5] Dissemination of useful information.

Basic sewing operator, Fashion designing Grade -I, Basics in Beauty parlor, Advanced Course in beauty parlor, GST Talley, Mobile repairing, Electrician, Plumbing, Bed side assistant , Solar maintenance technician etc. are some of the training programs run at mother center and seven extension center established at different villages in Latur dist. Soyabean Processing . Under this scheme we are providing consultancy on processing Soyabean to manufacture different nutritious food by use of Soyabean as a main constituent. Since from 2002, under CDTP scheme 441 batches of various skill development training programs were conducted through which 9930 trainees got benefits of scheme. Success rate of CDTP scheme is 55 to 60 %. About 40 % of the trainee started their own business on small scale whereas 15-20 % got job in MIDC of, Latur. Various Skill development training program are conducted through nine well established Extension Centres throughout latur district.

• Prominent Work under the scheme

- Timely organizing Advisory Committee Meeting.
- Cervical Cancer awareness & detection Camp.
