Shri. Bhimashankar J. Devnikar
Secretary

> Education is the most powerful tool which you can use to change the world."

SECRETARY'S MASSAGE

Panchakshari Shivacharya Trust is a charitable trust registered under Bombay Public Trust Act 1950. It undertakes religious and social activities. Since 1980 the trust is actively engaged in promoting quality education in technical education by starting Channabasweshwar Pharmacy Polytechnic, Latur in the year 1980.

Institution has created its image as one of the reputed Govt. Grant-in-aid Diploma Pharmacy institute in the state of Maharashtra. Together with Diploma in Pharmacy course institution is running Non-AICTE ADMLT program and skill development programs sponsored by Skill Development Ministry Govt. of India. Institution every year receiving "Excellent Grade" in the academic audit conducted by MSBTE, Mumbai and since last two years receiving regional awards from Maharashtra State Pharmacy Council in conducting activities on the occasion world pharmacist day.

After Realizing the prospect and potential of the course in the emerging scenario of the global pharmaceutical industry, Trust started the self-financed Undergraduate course (B. Pharm) in 2010, Post-graduation course (M. Pharm) in 2012 and recently Pharm. D. and D. Pharm (self- financed) At our Institution, the faculty inspires students to question, think critically and explore for creativity. We bring the best Architecture into the classrooms with eminent advisors & scholars visiting frequently & imparting knowledge to the students. Today, our students can be seen making wonderful progress in their chosen careers.

Dr. Sanjay S. Thonte
Principal

> Our aim is to nurture talented pharmacists and responsible citizens for a better tomorrow.

PRINCIPAL MASSAGE

Dear Students, Faculty, Alumni, and Friends,

Welcome to the annual fourth edition of our college news bulletin, a testament to our collective dedication, resilience, and academic excellence over the past year. As we look back on our achievements, I am filled with immense pride in our institutions growing footprint in the field of pharmaceutical sciences and healthcare. The profession of pharmacy is evolving at a rapid pace, transforming from traditional dispensing to cutting-edge clinical research, personalized medicine, and global healthcare solutions. At our institution, we ensure that our students are not just passive learners, but active innovators equipped to meet these dynamic global challenges.

Our students are continued in achieving great success by securing 100% passing result in summer-2025 exam of MSBTE; also having many awards, certifications in our credit this is the result of endless efforts of our faculties & students. Other highlights of over the year activities are organizing impactful health screening camps to provide vital clinical checks to the public. Launching and utilizing this specialized center to deliver critical information on diseases and the rational use of medicines and felicitation of senior pharmacists for their lifelong service on the occasion of World Pharmacist Day. Organizing dedicated awareness camps to educate the community on safe medication practices on the occasion of Med safety week.

I extend my heartfelt gratitude to our dedicated faculty members for their unwavering mentorship and to our management for providing world-class infrastructure. Together, we will continue to scale new heights in pharmaceutical education and research.

Happy reading!

Warm regards,

World Pharmacist Day Celebration

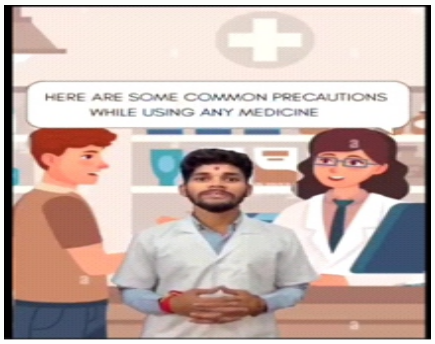

Thoughtfully designed greeting cards were distributed to pharmacists across Latur expressing gratitude and professional respect. The activity is continued from last 20 years. Around 1000 greeting cards were distributed to pharmacists in Latur city and nearby vicinity.

A modular Drug Information Centre was set at various places of latur city as well as at the college campus and Drug & Disease awareness drives were undertaken. Students, faculties as well as practicing pharmacists provided information on rational use of drug, antibiotic resistance, and safe self-medication practices.

A creative competition was held by inviting reels from students on current issues of health care & community pharmacy practice. 59 students from across Maharashtra participated in the contest.

Health Screening Camp

Free health screening camps were organised where in health screening parameters like Height, weight, body temperature, Pulse rate, Pulse oxygen, BP, blood sugar, HB, bleeding & clotting time, heart rate, lung capacity, BMI were assessed and health cards were given to needy people.

Around four screening camps were organized at various places of latur city on the occasion of world pharmacist day and "Navaratri Uttsav". Around 1215 individuals availed the services during the camp. The outcome of these camps was significant number of participants were found to have blood sugar levels exceeding 200 mg/dL, indicating potential undiagnosed diabetes. These individuals were unaware of their condition hence they advised to visit nearby hospitals for further diagnostic evaluation and management. Students Pharmacists

SCHEME OF COMMUNITY DEVELOPMENT THROUGH POLYTECHNIC MH-297

(Scheme Sponsored by Ministry of Skill Development and Entrepreneurship, Government of India, New Delhi)

Channabasweshwar Pharmacy Polytechnic, Latur is a government aided institution, providing quality education of pharmacy course since 1980. Institution has always participated in the social, health, sports, cultural and environmental fields consistently, while keeping the educational quality intact. On the strength of accurate planning and strict implementation of planning, this organization has created its own Latur Pharmacy pattern.

Taking into consideration, devotion of organization for welfare of society, the Central Government approved and started the Scheme of Community Development through Polytechnic from 2002.

Variety of skill development training are provided free of cost to the marginalized, needy women, men, youth and young women of the society under Scheme of Community Development through Polytechnic implemented at Channabasweshwara Pharmacy Polytechnic, Latur from which skilled manpower is created since from 2002...

The Activities of scheme are carried out in following areas:-

1. Survey to identify new technology and training needs.
2. Conducting skill development training for the needy.
3. Dissemination of necessary and appropriate technology.
4. To provide technical and support services to rural and general public.
5. Dissemination of useful information.

Basic sewing operator, Fashion designing Grade-I, Basics in Beauty parlor, GST Talley, Mobile repairing, Electrician, Plumbing, Bed side assistant , Solar maintenance technician etc. are some of the training programs run at mother center and seven extension center established at different villages in Latur dist. Soyabean Processing. Under this scheme we are providing consultancy on processing Soyabean to manufacture different nutritious food by use of Soyabean as a main constituent.

Since from 2002, under CDTP Scheme 441 batches of various skill development training programs were conducted through which 9930 trainees got benefits of scheme. Success rate of CDTP scheme is 55 to 60 %, About 40 % of the trainees started their own business on small scale whereas 15-20 % got job in MIDC of, Latur. Various Skill development training program are conducted through nine well established Extension Centres throughout latur district.
